High School Diploma

maintain performance levels.
- Monitored and processed information for regulatory compliance.
- Prepared design documents, alignments, specifications, criteria details, and estimates.
- Interfaced with project management team to prepare engineering submittals and work plans.
- Assisted standard development testing for automated environments.
- Used development tools such as PHP and MySQL on regular basis.
- Met with managers on weekly basis to provide detailed project reports and milestone updates.

GAMES

I love playing Fornite, it is the only game that let's me walk around the map without even fighting anyone. I like to win by hiding then attack when there is three players left so I can sneak up on them and take the win.

SOCCER

Soccer is one of my favorite sports because I would get lost into it without even thinking about doing exercises.
